Summer 2024 and Summer 2025

5.50 / 6	5.63 / 6	100%
Helpful instructor feedback 2024 and 2025	Participation encouraged 2024	Would recommend the course 2024

Response rates: 8 of 13 students (61.5%) in Summer 2024 and 12 of 22 students (54.5%) in Summer 2025.

Selected Anonymous Student Feedback

“The professor made participation feel fun and not forced, and used it as a way for us to reinforce our learning.”

— ECN 101 student, Summer 2025

“Ms. Fortes made the material easier to understand by connecting the topics to real-world examples that would actually occur in a market.”

— ECN 101 student, Summer 2024

Teaching Assistant

ECN 301: Intermediate Microeconomics

Fall 2023 and Spring 2024

“She never spoke down to us, but rather treated us as equals, who all shared the same goal of understanding microeconomics fundamentals.”

— ECN 301 student, Fall 2023
